Year End Farewells

Every year around June there are the inevitable changes that happen with staff. We have a few teaching staff leaving us this year, some for just a short period some for longer.

We would like to wish Ms. Jacobson, Ms. Chow and Mrs. Deepwell all the best as they take a maternity leave for the year to look after their growing families. An exciting time for them.

Mrs. Redfern, Mrs. Leach, Ms. Reyes, Mrs. Larsen, and Ms. Bell have all been wonderful additions to our teaching staff this year and we wish them the best in the future. Mrs. Rogers, Ms. Asbai, Ms. Abdieva and Ms. Barnes also joined us for this school year and we wish them all the best in their next adventure and perhaps they will return to RCG at some point to once again help with our support staff.

The end of the year can bring some emotions for children, simply due to change. We do hope that a great Summer with family and friends is reenergizing and filled with great memories too. We do have a few important days left, but we wish all our families a safe and enjoyable summer break and look forward to your return in September.

Bikes and scooters on School Grounds

Many students have started to come to school with scooters and bikes now that the weather has warmed up a little. We have a few important rules that students and parents need to be aware to ensure safety on the school grounds.

- **No riding of bikes or scooters on school grounds. They must be walked.**
- **Helmets are required.**
- **All bikes to go in bike rack – locks required**
- **Scooters may not always have room in the classroom for daily storage – class dependent – talk with your teacher**

Upcoming Dates

June

26th – Grad Walk with former RCG students

29th – Year End Assembly – 9:30 am

29th - Last Day of school, **11:15 am dismissal**

30th - Admin Day – Staff only

July

4th – 7th Office Open

10th – 28th Summer Session at RCG running

August

29th - Office reopens for 23/24 school year

Year End Assembly

Our final assembly of the year will be this Thursday, June 29, at 9:30 a.m. At this morning assembly we will be honoring our PAC executive who have worked so hard in support of our school. Recognize some staff that will be leaving us, say a final farewell to our grade 5's followed by a slide show covering the past few months of school. Parents are always welcome to attend.

Dismissal on the last day of school will be 11:15 am.

Moving?

If you are planning to move over the Summer months and have your children attend a different school we would appreciate you letting us know as soon as possible. We can help your transition by connecting with your next school which can help greatly in a smooth September.

U-Connect – Distributed Learning Programs

In recent years, the District has seen growth in programming at U-Connect. U-Connect is our K-12 school offering a distributed learning program which focuses on blended learning. Students in the program attend in person two days per week and learn online at home for the rest of the week. At the grade 10-12 level, there is also a full online option available for those students that thrive in a remote learning environment. The school takes pride in its ability to offer flexibility, connection, and a sense of community. Our staff work diligently with students and families on helping meet the needs of all learners. To learn more about student successes, opportunities and how you can meet your child's education goals, visit the U-Connect website [here](#). To express interest in an information session, please fill out the online form [here](#).
